

Master of Entrepreneurship and Innovation Program

Website: kschool.kaist.ac.kr

Office: W8, 1102(Room)

■ Introduction

Through the Master of Entrepreneurship and Innovation Program, the K-School provides theoretical education on entrepreneurship and business to undergraduate students and practical education for inculcation of a spirit of challenge and the creation of socioeconomic value to all students at KAIST. The school's seminar education program includes mandatory general courses and activity units (AUs) for the dissemination of entrepreneurship and a culture of innovation.
