Course Requirements for IP Minor Program

A. Completion of Course: at least 18 credits
B. Major Required Curriculum: 6 credits
C. Major Elective Curriculum: 12 credits
D. Others:
 - In the event that an IP minor course and major/other minor/Humanities & Social Sciences courses overlap, up to 9 credits can be applied to both courses of study.

❒ **Interim Measures**

A. This course requirements are applied to the IP Minor students registered in spring 2014 and thereafter. To the students who registered with the IP Minor Program before spring 2014, original course requirements (3 credits from required major courses and 15 from elective major courses) are applied.

B. IP301 IP Overview is counted as the repeating course for SS261 IP Overview. In case of repeating only, IP301 IP Overview is also counted as a Humanities elective major (Social Science).
