※ Criteria for credit recognition of English courses (applicable to students from foreign high schools using English as primary language)

Admission Year	Requirement
2013 and thereafter	Students whose mother tongue is English or students who graduated from a high school where English is the primary language will be exempted from required English courses and will be graded with an ‘S’.
Between 2011 and 2012	Students who completed the high school curriculum where English is the primary language will be exempted from required English courses and will be graded with an ‘S’.

Admission Year	Requirement
Before 2010	International students who completed the entire high school curriculum where English is the primary language will be exempted from required English courses and will be graded with an 'S'

② Writing: 3 credits(Not applicable to International Students)

- Students will take a level test and will be divided into level A, B and C according to the students' level of writing. (Level test can only be taken only once during the undergraduate course)

Level	Credit Recognition and Prerequisite
A	To be exempted from Writing course and graded with an "S"
B	Required to take 1 of the Writing courses
C	Required to take 1 of the Writing courses after taking 'Fundamentals of Writing' course.

※ Writing classes: Logical Writing, Critical Writing, Practical Writing, Creative Writing

③ **Physical Education : 4AU** should be completed. (**Not** counted for GPA but required for graduation.)

- Since each course in Physical Education has 2AU, 2 courses should be taken
- 2AU among 4AU can be replaced by extra curricular sports **club** activities.

④ Community Service: Not applicable to students entering KAIST in 2011 and thereafter. However, leadership mileage will be awarded for proof of community service.

- Students who entered the KAIST in or before 2006 must complete 4AU; those who enter the KAIST between 2007 and 2010 must complete 2AU. (not counted for GPA but required for graduation.)
- Service at the flower town, serving as an executive member of student association, serving as a student representative of a department, service in the school clean-up campaign, service at a public welfare organization such as the welfare center, service at public organizations such as the national park management corporation, service at government offices such as a city hall and a town-block office.
- The proof of the community service sealed with the signature of the service organization for the off-campus service and of the head of the corresponding administrative office for the on-campus service should be submitted to the Academic Registrar's Team.

⑤ **Humanity/Leadership : 2AU**(not counted for GPA but required for graduation.)

- Applicable to students who enter the KAIST in or after 2007 and is mandatory for graduation

Course	Program	Credit
Humanity/Leadership I	Complete either 7H leadership training, phoenix leadership training, or Carnegie leadership	1AU
Humanity/Leadership II	Young Leaders Thursday Lecture, or GLA(Group	1AU

	Leadership Activity)	
Humanity/Leadership III	Complete one program among photography, musical instruments, jazz dance, hip-hop, a cappella, etc	1AU

- Program and credit recognition per course
- Students can take Humanity/Leadership III within the year of their undergraduate admission only.

⑥ Completion of Ethics and Safety (required for graduation)

- Offered since spring 2009 to prevent laboratory accidents and corrupt practices in research
- Course code and course name (applicable to students enrolled no later than 2017)

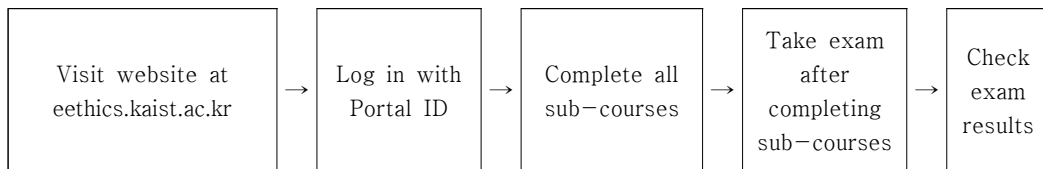

*** Undergraduate: HSS070, Ethics and Safety II**

* Masters/PhD: CC020, Ethics and Safety I

- How to complete: Visit the website at <http://eethics.kaist.ac.kr>; Course registration not required

Students enrolled no later than 2017	Students enrolled in 2018 and thereafter
<p>1. Course opening (In principle) Regular semester (spring, fall) (If incomplete) Students in their last semester may request the course to be offered ※ Human Rights and Gender Equality offered year-round</p> <p>2. Courses ① Laboratory Safety ② Research Ethics ③ Human Rights and Gender Equality</p> <p>3. Completion period: At least 30 days prior to date of degree conferment in desired semester of graduation ※ (Recommendation): Complete Human Rights and Gender Equality within first three semesters of enrollment</p> <p>4. Result: 1AU awarded during grading period</p>	<p>1. Course opening: Year-round</p> <p>2. Courses ① Laboratory Safety ② Research Ethics ③ Human Rights and Gender Equality ④ Cyber Ethics (beginning May 2018)</p> <p>3. Completion period (In principle) Within two semesters of enrollment (Recommended) In first semester of enrollment</p> <p>4. Result: Considered as satisfying graduation requirements upon completion</p>

– Examination

* Up to ten times per sub-course during examination period

(No limit for Human Rights & Gender Equality)

- Evaluation: Students evaluated online via website (<http://eethics.kaist.ac.kr>); Pass (grade S) awarded to students who receive at least 80 (out of 100) in each of the following courses: Research Ethics, Laboratory Safety, Human Rights & Gender Equality, Cyber Ethics*

※ Cyber Ethics applicable to students enrolled in 2018 and thereafter

- Miscellaneous: Course to be completed only once by master's and Ph.D. students during enrollment in respective programs

■ **Elective General Courses in Humanities & Social Sciences: at least 21 credits**

- Students are required to take at least 21 credits with a minimum requirement of at least 1 course of each of the following 2 among 3 categories: Humanity, Society, and Literature and Arts; the rest can be chosen regardless of the category. (Applicable to students who entered KAIST in 2009 and thereafter; for those who have entered KAIST in 2008 and before, refer to the General Course Requirements by Admission Year on page 27)
- Students who entered KAIST between 2007 and 2010 should take at least 9 credits through lectures offered in English among the 21 credits required by Elective General Courses in Humanities & Social Sciences.
- Students having a double major should take 12 credits without requirements in categories as stated above. (Students who entered KAIST between 2007 and 2010 should take 6 credits through lectures offered in English.)
- ※ The requirement of taking lectures offered in English among Elective General Courses in Humanities & Social Sciences is not applicable to students who entered KAIST in 2011 or thereafter.

■ **Mandatory General course requirements for International Students in the undergraduate program**

A. Required **English** Courses (Total 4 credits)

Classification	Course No.	Course Name	Credit
Mandatory General	HSS022	English Presentation & Discussion	1
	HSS023	Advanced English Listening	1
	HSS024	Advanced English Writing	1
	HSS025	Advanced English Reading	1

※ Refer to Criteria for Taking English Courses on page 12~13.

※ Students whose mother tongue is English or students who graduated from a high school where English is the primary language are exempted from taking Required English Courses and will be graded with an 'S' grade (pass). (Applicable to students who entered KAIST in 2013 and thereafter)

※ Students who graduated from a high school in an English-speaking country are exempted from taking Required English Courses and will be graded with an 'S' grade (pass). (Applicable to students who entered KAIST in 1998 and thereafter)

B. Required **Korean Language** Courses (Total 6 credits)

Classification	Course No.	Course Name	Credit
Mandatory General	HSS006	Basic Korean I for Foreign Students	3
Elective General	HSS193	Basic Korean II for Foreign Students	3

C. AU Courses Requirement

- Students who entered KAIST in 2018 and after: International students must complete mandatory AU courses (Total 8AU: Physical Education 4AU, Humanity/Leadership 2AU, Happy College Life 1AU, Exciting College Life 1AU. However, Humanity/Leadership may be substituted by Cultural Experience)
- Students who entered KAIST in 2007~2017: International students must complete mandatory AU courses (Total 9AU: Physical Education 4AU, Humanity/Leadership 2AU, Ethics and Safety II 1AU, Happy College Life 1AU, Exciting College Life 1AU. However, Humanity/Leadership may be substituted by Cultural Experience)
- ※ Students who entered KAIST in 2007~2010: Total 9AU (Physical Education 4AU, Community Service 2AU, Humanity/Leadership 2AU, Ethics and Safety II 1AU)
- ※ Students who entered KAIST in 2006 or before: Total 9AU (Physical Education 4AU, Community Service 4AU, Ethics and Safety II 1AU)

3. Completion of Basic Courses: at least 32 credits (applicable to students entering KAIST in 2012 and thereafter; for those who have entered KAIST in and before 2011, refer to the Course Completion Requirements by Year of Admission)

- Mandatory Basic Courses: 23 credits
 - ① 1 course among Fundamental Physics I (3), General Physics I (3), and Advanced Physics I (3)
 - ② 1 course among Fundamental Physics II (3), General Physics II (3), and Advance Physics II (3)
 - ③ 1 course of General Physics Lab I (1)
 - ④ 1 course of Basic Biology (3) or General Biology (3)
 - ⑤ 1 course of Calculus I (3) or Honor Calculus I (3)
 - ⑥ 1 course of Calculus II (3) or Honor Calculus II (3)
 - ⑦ 1 course among Basic Chemistry (3), General Chemistry I (3), and Advanced Chemistry (3)
 - ⑧ 1 course of General Chemistry Lab I (1) or Advanced Chemistry Lab (1)
 - ⑨ 1 course of Basic Programming (3) or Advanced Programming (3)
- Students having entered KAIST in 2007 or before : 23 credits (①~⑨)
- Students having entered KAIST between 2008 and 2011: 26 credits((①~⑨), Freshman Design Course: Introduction to Design and Communication)(3))
- Elective Basic Courses: at least 9 credits (Each department has different specific requirements. Please refer to the departmental requirements for course completion.)
 - Students admitted in and before 2011 should take more than 6 credits
 - ※ Students having a double major take at least 3 or 6 credits.
 - ※ Students entering KAIST through the admission for the special talented are required to take 12 credits in the mandatory basic courses and to take the remaining credits in the elective basic courses. (applicable to students entering KAIST in 2015 and thereafter)

4. Completion of Major Courses: at least 40 credits (Each department has different requirements. Please refer to the departmental requirements for course completion.)

5. Completion of Advanced Major Courses: at least 12 credits (Each department has different requirements. Please refer to the departmental requirements for course completion.)

6. Completion of Individually Designed Major Courses: at least 12 credits

(Take major courses offered by at least two different academic departments except for students' own department)

7. Minor and Double Major

- Minor: at least 18 credits outside major (according to the article 81 of Academic Policies and Regulations)

- The departmental requirements vary. Please refer to the requirements of interest for course completion.

- Double Major (Application: students entering in 2016 and after. For students entering in 2015 and before, please refer to the requirements of the year of admission)

General			Basic		Major	Double Major	Research	Total
Mandatory	Elective in Humanities&Social Sciences	Sub-total	Mandatory	Elective				
7 +(8AU)	12 or above (without considering divisions)	19 or above	23	3 or 6 above	refer to the requirements for each	at least 40 including mandatory major courses	0	136 or above

- In the case of Mandatory General Course and Mandatory Basic Course, refer to the course completion requirements by year of admission.

- In the case of Elective General Courses in Humanities & Social Sciences, students admitted to KAIST between 2007 and 2010 should take at least 6 credits through lectures in English.

- There is no recognition in overlapping courses. But, in the event that major courses and double-major courses overlap(that is to say, such cases stipulated in department's course requirements, or designated as a substitute subject in the course curriculum), up to 6 credits can be applied to both courses of study. (applicable to the students entered KAIST in 2016 and thereafter.)

- For students entered before 2016, please refer to the requirements of the year of admission.

- Completion of minor and double major courses is based on the requirements of the admission year or the time of application.

8. Completion of Elective Courses: Take mandatory and elective major courses from other departments. (Some departments requires students to take some specific courses. Please refer to the departmental requirements for course completion.)

9. Completion of Research Courses: at least 3 credits (Please refer to the departmental requirements for course completion.)

- Please be sure to take 3 credits for graduate research (However, students having a double major are exempt)

- Each department grants different credit hours for individual study or the seminar course. (Please refer to the departmental requirements for course completion.)

10. English Proficiency Requirements upon Graduation

- Before entering or during studying at KAIST, students should obtain the minimum required score or higher from one of the following: TOEFL, TOEIC, TEPS and IELTS.

- Students who have hearing impairment level 3 or above should obtain the minimum required score or higher, excluding listening.

- A. Students who have submitted past scores for TOEIC (before April 2006) or TEPS (before February

28, 2007)

- Students admitted in 2008 or later

Classification	iBT TOEFL	PBT TOEFL	CBT TOEFL	TOEIC	TEPS	IELTS
General qualification score	83	560	220	775	690	6.5
Qualification score for hearing impairment level 3 or above	62	372	146	387	414	4.8

- Students admitted in 2007 or earlier

Classification	iBT TOEFL	PBT TOEFL	CBT TOEFL	TOEIC	TEPS	IELTS
General qualification score	83	560	220	760	670	6.5
Qualification score for hearing impairment level 3 or above	62	372	146	380	402	4.8

B. Students who have submitted NEW TOEIC score taken after May 2006 or TEPS score taken after March 1, 2007

Classification	iBT TOEFL	PBT TOEFL	CBT TOEFL	TOEIC	TEPS	IELTS
General qualification score	83	560	220	720	599	6.5
Qualification score for hearing impairment level 3 or above	62	372	146	360	359	4.8

11. Graduation requirements for international students: TOPIK (Test of Proficiency in Korean)

- Undergraduate international students are required to obtain level 2 or higher score in TOPIK before entering or during studying at KAIST.
- ※ Applies to students entering KAIST in 2013 and thereafter

12. Multidisciplinary Capstone Design(I, II)

- The classes consisting of lectures and team projects in which various departments join were designed to promote multidisciplinary thinking and major application ability for students and began to be offered as of Spring 2015.
- Recognition Chart

13. Taking Special Courses

- In case the course subtitles are different from each other, up to 3 courses may be taken; a make-up course can be taken only if the course subtitles are the same.
- However, make-up courses can be taken for general course of the same category offered from the 1999 summer semester and for the major special courses opened within the same course/major from the 2004 winter semester, if it is allowed by the dean of the department.

14. Leadership Mileage

- This system has been offered from 2007 for the undergraduate students so that they can grow as wholesome human beings with knowledge-creating leadership and serve as leaders in the community.
- A fixed amount of mileage is given for leadership activities as humanity/leadership course attendance, on/off campus volunteer activities, physical training and leadership experience.
- A certificate of silver(over 200 mileage), gold(over 250 mileage), platinum(over 300 mileage), diamond(over 350 mileage) grade is granted according to the mileage amount.

15. Undergraduate Research Participation (URP) program courses

- To expand undergraduate students' opportunities for participation in research and to foster creative and outstanding experts through a wealth of research experience, URP program courses will be offered from spring 2007.
- Courses

※ URP courses will be offered in spring and fall semesters, and the research period is 6 months (summer semester + regular semester).

※ Only students who submit final reports may receive S/U grades from their advisors.

※ Students may register for URP program courses up to a maximum of twice (maximum credits: a total of 6 credits, consisting of 3 credits each).

16. National/International Internship Program

- The program has been offered from Spring 2008 to give students chances to grow social skills by adding field ability to theoretical learning
- Department in charge: Office of Student Life (Leadership Center)
- Application: Undergraduate students who are recommended by the advisor and the internship professor (students in their leave of absence can also apply)
- Grades and evaluation : S or U is given as grade. Students are evaluated for grades and graduation

research substitution according to their final report and the evaluation sheet made by the company(Undeclared students and sophomores are not able to substitute graduation research)

○ Credits

Course No.	Course Name	Credits	Internship Period	Available Semester	Graduation Research Substitution
INT482	Domestic Internship ProgramIV: Graduation Research <EE Co-op 1>	12	over 16 weeks	Spring/Fall	- recognized for graduation research. - 6 credits are recognizable but recognizing how much credits can vary depending on a department - INT482 is currently only available to students of Electrical Engineering
INT483	National Internship Program(Graduation Research) I	1	Over 4 weeks	Summer /Winter	Available with 2 additional credits of Individual Study
INT484	National Internship Program(Graduation Research)II	2	Over 6 weeks	Summer /Winter	Available with 1 additional credits of Individual Study
INT485	National Internship Program(Graduation Research)III	3	Over 9 weeks	Summer /Winter	Available
INT486	Project-based ICT Internship for academic credits with Graduation Research	12	over 16 weeks	Spring/Fall	12 credits are recognized (minimum for course registration per semester), and 6 credits are recognized for graduation. (including 3 credits for graduation research)
INT492	Domestic Internship ProgramIV <EE Co-op 2>	12	over 16 weeks	Spring/Fall	- 6 credits are recognizable but recognizing how much credits can vary depending on a department - INT492 is currently only available to students of Electrical Engineering

INT489	International Internship Program (Graduation Research)II	12	Over 14 weeks	Spring/Fall	Available, 6 credits are recognized as credits for graduation(including 3 credits of Graduation Research)

※ The maximum credit available for domestic internship is 6 credits.

※ INT482 and INT492 are temporarily available and they are only applicable to students majoring in Electrical Engineering. For the two internships only, the maximum credits to be recognized can vary according to the curriculum of Electrical Engineering.

17. Advanced Placement (Article 31, Paragraph 2 of the Guidelines on Curriculum Management)

- Credits and grades earned from AP courses at Korea Science Academy (KSA) and Seoul Science High School are recognized as those acquired at KAIST
- Grade conversion standard

A. Korea Science Academy: If the grade is C⁺ or above, choose one among below (applicable to students entering KAIST in 2010 and thereafter)

- being marked as the grade earned from AP courses at KSA in the academic record and included in GPA
- being marked as S in the academic record and excluded in GPA

※ For students entering KAIST in and before 2009, credits and grades earned from AP courses at Korea Science Academy (KSA) are recognized as those acquired at KAIST, being marked as they are in the academic record and included in GPA.

B. Seoul Science High School: If the grade is B0 or above, it is marked as S in the academic record and excluded in GPA.

C. Kyonggi Science High School: If the grade is B0 or above, it is marked as S in the academic record and excluded in GPA

D. Daegu Science High School: Applicable to individual students' criteria according to subjects

- If a student applies for credit recognition of an AP course that is a mandatory basic course or a basic elective, the student is exempt from completion of the corresponding basic course.
- Application method: Applicants are requested to fill in the application form for recognition of AP credits and submit the application along with one original copy of their student report to the Academic Registrar's Team.
- Application period: Within the very first semester following admission; until the official end of the Spring semester (Note: Recognition of AP courses is not allowed once the application period is over, so make sure to apply for course recognition within the application period.)
- Credit recognition table for AP credits earned at KSA:

- ※ If a student has completed two courses (i.e. “DNA Science“ and “Molecular Biology“) at KSA, credits earned from both courses are recognized, provided that only one KAIST course of BiS222 (Molecular and Cellular Biology) is to be recognized as a corresponding course. If he or she has taken only one of the two courses at KSA, the course is to be recognized as a free elective.

※ When a student from Kyonggi Science High School has completed the computer programming I and II, Object-Oriented Programming, the credits will be recognized as follows.

① Completion of both Computer Programming I and II will be recognized as taking CS101 Basic Programming (3 credits)

② Completion of Object-Oriented Programming will be recognized as taking CS101 Basic Programming (3 credits)

※ Programming Language, Introduction to Computer Science (Computer Programming I & II from 2011) will not be recognized as CS101 Basic Programming

* Kyonggi Science High School: If the grade is B0 or above, it is marked as S in the academic record and excluded in GPA

18. University-level program(UP) (Valid until the year of 2015. Recognizing credits is only applied to classes offered before the year of 2015)

- High school - university bridge program allowing high school students to learn university-level curriculum during vacation at universities agreed to provide University-level Program(UP). When students enters university, credits acquired through UP can be recognized as credits acquired at universities.

※ List of universities that agreed to provide UP (26 universities)

KAIST, Seoul National University, Yonsei University, Kangnam University, Kangwon National University, Gyeongsang National University, Kyunghee University, Kwangju Women' s University, Dong-A University, Mokpo Natoinal University, Pukyong National University, Pusan National University, Seoul Women' s University, Sungkyunkwan University, Sookmyung Women' s University, Sunchon National University, Youngdong University, Eulji University, Ewha Womans University, University of Incheon, Chonnam National University, Chonbuk National University, Jeju National University, Chungnam National University, Chungbuk National University, Hanyang University

- Credit recognition standard
 - If students who completed UP subjects enter KAIST, credit acquired from UP subjects will be recognized as credit acquired from undergraduate course.
 - Credit will be recognized upon students' request only if acquired grade is B0 or above.
 - Request should be made within 5 years of the completion of subjects, and within the first semester of studying in KAIST. (request can be made at Academic Registrar' s Team)
 - Grades acquired from UP subjects will be recorded as it is and will be included as total credits, but will not be included in calculation of GPA.
 - Students can' t retake subjects credited by UP.

19. Honor Program (Article 16, Paragraph 2 of the Guidelines on Curriculum Management)

- The Honor Program defines undergraduate students with certain qualifications as “honor students” to honor their excellence and allows them to complete master’s and doctor’s courses during their undergraduate years.
- As for undergraduate students who have completed six or less semesters, have earned 85 or more credits as of the last semester and have recorded 3.7 or a higher GPA, they are referred to as “honor students” based on the recommendations from their research advisors and the heads of their respective departments.
- Benefits
 - Students can attend the subjects in the masters or doctoral curriculum by getting approval from the professor lecturing the subject. Acquired credit will be recognized as described below, but if department of belonging defined major subjects (mandatory major, elective major) to be completed, follow the rules defined by department.
 - * Credits acquired from mandatory major and elective subjects of masters or doctoral curriculum from department of belonging will be recognized as elective major credit of undergraduate course.
 - * Credits acquired from masters or doctoral subjects that does not apply the above will be recognized as elective.
 - Credits that the students have earned from master’s or doctor’s courses during their undergraduate years may be recognized as master’s credits by applying for credit recognition within one year following their enrollment into the master’s program, provided that their final GPA upon college graduation exceeds 3.7.
- Application method: During the registration period of each semester, Honor Program applicants are requested to submit their application form and academic record to the Academic Registrar’s Team—via the offices of their respective departments or majors—with letters of recommendation from their research advisors and the heads of their departments/majors enclosed.

20. Bridge Program

- To help students from foreign high schools and foreign students to complete regular curriculum by understanding basic courses, preliminary basic courses will be opened. This is also online credit recognition program subjects for pre-freshmen (admitted students) to help them on regular subjects (General Physics, Calculus, General Chemistry, etc.).
- Online Bridge Program provides chance of acquiring credits and experience of actual university class, increasing adaptability of students to the university.

General Elective	MAS100	College Mathematics	3:1:3	Fall
General Elective	CH107	College Chemistry	3:0:3	Fall

- Starting Points: Fall 2009

21. Measures for Change

- Please refer to the departmental course completion requirements in case of unification or separation of department, change in department, revision of curriculum, etc.
- Matters regarding curriculum are based on each student's admission year unless any exceptions are specified; in case courses have been changed or are no more opened, the substitute courses should be taken.

* Note

The confirmation of graduation requirement including the status of subject, requirement of subject, and others shall be implemented under the responsibility of the students.
