Major Course Requirements for
STP Minor Program
(For undergraduate students admitted in or before 2015)

Please check the common graduation requirements.

■ **Credit Requirement for Graduation:** A minimum of 18 credits (excluding research credits) is required for completion of the program.

■ **Mandatory Major Courses:** 3 credits (One of the two courses: STP230 or STP310)

■ **Elective Courses:** At least 15 credits.

※ Students may earn up to 3 research credits by participating in a science technology policy relevant internship.
  - Credits are awarded on the basis of time served at the internship (1 credit per month)
※ Cross-listed courses jointly offered by other departments may be double-counted to a maximum of 9 credits to fulfill the requirements of both departments.
※ Credits from STP110 are not doube-counted, meaning that they count either toward the STP degree requirements or the University's General Education requirements.
